LET'S GET ACQUAINTED...

with Lance Blackburn,
National Sales Manager

What's the most inspiring part of your job?

Supporting clients with design queries and matching the right product to their specific needs.

If you were a superhero, what would your superpower be?

To fly. Flying over motorway traffic would make my job so much easier! I would be home by lunch!

Also, way more fun than taking lifts when conducting site visits on high rise buildings.
